

# THE NATIONAL CHRONICLE

THE OFFICIAL NEWSLETTER OF NATIONALHIGH JAKARTA SCHOOL

## PRINCIPAL'S MESSAGE

The school is pleased to put together all the events and activities completed for the first semester of our present academic year. The Chronicles is a repository of celebrations and stories of our consistent drive for excellence.

It is gratifying for all of us and stakeholders to be part of the children's journey of growth and be a part of their learning experience. It is even more gratifying to know that everyone is trying and doing their best. Let us sit back and browse the pages to acknowledge the hard work of the children and staff for the wonderful learning experiences, be it learning journeys, celebrations or at competitions.

I wish everyone happy reading and continual growth for the new calendar year. God bless.

Mr Ang Hwee Khoon  
Principal

## 02 Young Leaders Convention 2018

The aim of YLC 2018 is to gather students from all walks of life with different and unique characters to come together as one and ...

## SUSS - PIAGET IMPACT STARTUP CHALLENGE

PIAGET Academy under the leadership of the Chairman of the Board of Governors, Mr. William Yiu, entered into a strategic partnership with Singapore's latest public university, Singapore University of Social Sciences (SUSS) to create learning opportunities for the students from both parties.

An inaugural six-day SUSS-PIAGET Impact Startup Challenge marks the first partnership project between the two institutions and this involves students from Singapore and Indonesia working in teams to pitch their business ideas. A unique feature of the camps is a strong focus on social business proposals and investors are at hand to plough funds into their pet projects.

The best team will win a three-month incubation residency and mentoring programme from Wonderlabs to continue developing their business proposals. The incubation at Wonderlabs' Armstrong Campus in Jogjakarta, includes full access to their dedicated work desk, high speed internet and office facilities. Keith Tan, CEO of Wonderlabs, will personally conduct bi-weekly mentorship sessions to checkpoint the startup's growth and planning. Lastly, the team will also be able to consult Wonderlabs engineers and Wonderlabs CTO Hanif Ali for technical Consultations.

## 03 World Scholars Cup Tournament

The Debate club came home with several accolades from Tournament of Champions held at Yale University on 16-22 November 2018 ...

## LEADERSHIP PROGRAM

### NHJS Prefectorial Board

National High Prefectorial Board is part of the school's effort to provide leadership and service opportunities to Year 3 – Year 7 students. This year, the prefectorial board conducted its investiture on August 27, 2018.

### Student Council

This school year, the Student Council has come to its 10th year of organizing events for the school and the community. The elected President for the 10th Batch of Student Council is Ryan Asali (Y11P) and the committee members are below:

President: Matthew Ryan Asali (Y11P)

Vice-President: Richelle Briana Hanusi (Y11P)

Secretary: Caitlyn Audrey Prabowo (Y11P)

Treasurer: Andhika Tirtawisata (Y11P)

Comm 1 (Head): Celine Rusli (Y10G)

Comm 2 (Head): Meliana Iris Budhihartanto (Y10G)

Comm 3 (Head): Daniela Sugih (Y10G)

Comm 4 (Head): Kathleen Humato (Y10E)

Congratulations to all the members of the 10th Student Council members. Let's continue to support them.

- Inauguration 13.08.2018

- Training Camp 10,11,25,26.08.2018

- NH Donations for Palu & Donggala 06.10.2018

- Free School ( Every Saturday )

## - NH Lion Cups 15 - 20.10.2018

## Young Leaders Convention 26 - 28 July 2018

On the 26<sup>th</sup> to 28<sup>th</sup> of July in Darmawan Park, Sentul, the Student Council (SC) held their annual youth leadership camp, known as YLC. YLC or the Young Leaders Convention is a three-days - two-nights camp organized for the new batch of Year 7 students to feel welcomed to their new secondary life. This year, our theme is GRATITUDE, as we wanted to further emphasize the importance of being thankful for each other. These activities are designed to help the young leaders bond with each other and strengthen their teamwork and leadership skills whilst having fun!

## MILESTONE PROGRAMMES

### Year 1: All By Myself 03.08.2018

I like the dance. I love lacing. I like my nametag. – Aubrey Delgado (Y1)

I enjoyed shoe-lacing. I also enjoyed the games. It was lots of fun. – Stanton Ferdinand Atmadja (Y1)

### Year 2: I Can Succeed 27.07.2018

I like the milestone program because we had a lot of fun activities. I hope I have other milestones. – Joel Frederick Gunawan (Y2)

I love the Milestones Day. We had fun games outside. My favorite part of Milestone Day was to water the plants. We had a fun day during Milestone's Day. We did not have any lessons on Milestones Day. – Hillary Aimee Srijaya (Y2)

### Year 3: On My Own 28-29.07.2018

I like the OMO Program because I got to meet new friends from the other classes. I also got to learn how to make food such as egg sandwich, fruit salad, etc. My favorite part was the games, I had a lot of fun. – Lucas Suhendra (Y3P)

### Year 4: Power of Efforts 09-10.09.2018

The goals are to develop students' self-confidence, self-respect and appreciation of their abilities and skills, to discover students' potential in developing physical, mental and socio-emotional well-being and to realise students' aptitude towards tenacity and fortitude.

The two-day programme was so fun. It trained us to be independent, gain self-confidence, working in a team, and the importance of effort in overcoming challenges or fears. – Amadeo Dave Ra Nakanantha (Y4E)

My team didn't win anything but I had the most fun nevertheless. In a way, I also felt that the trip has brought me closer to my teachers and friends since we spent a lot of time together – Adeline Elizabeth Tay (Y4G)

## Year 5: Awareness of Self 23-24.09.2018

Lembur Pancawati, Bogor.

The goals are knowing one's strengths and finding ways to put them to good use, knowing one's weaknesses and working towards turning them into strengths. Even though rice planting was my least favorite activity, I am proud to have experienced doing it – Darrell Tjajj (Y5E)

My favorite activity was fish-catching (fishing). I thought that it would be gross but it was actually fun. – Chelsea Adela Seng (Y5T)

## Year 6: Power of Mindset 23-25.09.2018

Highland Park Resort, Bogor.

The goals are to recognize ones' strengths and skills and use them to solve different challenges/tasks, to understand and develop a "success mindset", to develop the awareness of and apply the skills for making better choices, and to role model the PIAGET values.

## Year 7: Discover Character Strength 23-26.09.2018

Yogyakarta, Indonesia.

The goals are to realise student's abilities and character strengths through valuable learning experiences outside the classrooms, to exercise self-regulation and keep one's countenance when dealing with demanding tasks, and to learn ways to care for themselves and others, especially in challenging environments.

## Year 9: Habits Of Mind 28.08-10.09.2018

INAGRO.  
Our Year 9 students finally did their Habits of Mind Milestone Programme. It's an invaluable opportunity to help embed our students with PIAGET values, cultivate the mindset and build resilience.

## Year 11: Meaning and Purpose 19-26.09.2018

Bhutan  
This experience taught me that we need to be grateful for what we have instead of continually asking for more. This trip had one overall purpose: to help us appreciate and understand the culture and people around us especially the disadvantaged in society. Through experiencing a different culture, interacting with other people made us conscious about the less-privileged in the society and the need to appreciate the opportunities we have. – Matthew Ryan Asali (Y11P)

## FIELDTRIPS

Year 1: Fauna Land, Ancol 22-24.11.2018

Year 2: Sentul Integrated Fresh Farm 26.11.2018

Year 9: Museum Benteng Heritage 10.10.2018

Year 10 - 12 Asian Games 02.09.2018

## SCHOOL EVENTS

### Meet & Greet and First Day of School 17-18.07.2018

To welcome new parents in the new Academic Year 2017-2018, NHJS conducted Meet & Greet sessions on 17-18 July 2018. These sessions are aimed to orient parents on the various school programmes for the different levels. It is the opportunity for parents to know what to expect in the upcoming year and also equip themselves for it. They also get to know the mentors in the different classes and subjects. The school explains the procedure for conducting examinations, the curriculum used in NHJS, the extracurricular activities, and the support required from parents.

### CCA Open House 19.17 & 23.10.2018

Co-curricular activities are the components of non-academic curriculum that help to develop various facets of the personality of the child and student. We offers sports CCAs and Non-sport CCAs. These programmes are also part of NHJS Other Learning Experience (O.L.E).

### GROW Programme:

#### - Mini Edufair 17.07 & 02-03.10.2018

#### - Anti-Bullying Workshop 24.08.2018

NHJS conducted an Anti-Bullying Workshop on the 24th August 2018. This workshop was attended by parents and students. The speakers were Robert Pereira, an International Educational Consultant and Founder of Bullying Prevention Woekshop and Hanlie Muliani, a clinical phycologist and also Founder of Sahabat Orang Tua dan Anak (SOA). The objectives are: to create awareness about bullying, to explore issues and advices around bullying and anti-bullying measure.

#### - Education and Career Day 19.10.2018

On October 19th, NationalHigh Jakarta School conducted the Education and Career Day 2018. This year, we invited Mr. Paul Smith, Director of British Council, Ms. Novita Tandry, a Child and Adolescent Psychologist, and also NHJS Alumni. NHJS also invited several International universities to promote and also open booths to introduce their universities to our students. Parents were also invited to join the seminar talks by Ms. Novita Tandry held in the auditorium while students attended workshops held by universities.

#### - 28uild Habitat for Humanity

## Mid Autumn Festival 19.09.2018

## Independence Day 20.08.2018

NationalHigh Jakarta School held the Independence Day celebration. It kicked off with the flag ceremony in the Multi Purpose Hall attended by all students from Primary to JC and all Academic Staff and non-Academic Staff. The Bahasa Department made this year's celebrations a bit different by preparing some booths with lots of traditional games from Indonesia, such as congklak, lompat karet, bola bekel and some traditional foods from many provinces.

Overall, I found the games during the Independence Day celebration pretty fun. It was a great success. It was awesome that the teachers and students were able to interact and play together. Also, the food was superb! – Jedidiah Misael De Guzman (Y9G)

## Schools Visit

- Palm View School Visit 14.08.2018

- Japan School Visit 01.10.2018

- North Vista Secondary School and Bowen Secondary School Visit 12.11.2018

## Interdisciplinary Week ( IDW ) & Sport Day 17-21.09.2018

NationalHigh Jakarta School celebrated its Interdisciplinary Week on 18-21 September 2018 and Sports Day on 17 September 2018. It was a week – long event that was filled with many interactive and interesting activities for all our students. This year we continued to integrate the United Nations’ Sustainable Development Goals (SDGs) theme which has been introduced in last year’s Interdisciplinary Week. We continue to aim to deepen our students’ understanding of poverty, inequality and learn more ways to tackle climate change.

### IDW Year 1-2

Theme: Zero Hunger and Proper Consumption and Production

This year, our Year 1 and Year 2 students got to learn a lot about Zero Hunger, Climate Change and also about Life below Water and Life on Land. They learnt how to make different dishes, plant and also watched some movies regarding the theme. On the last day of IDW, we also invited WWF to present their programmes and to conduct games with our students.

### IDW Year 3-4

Theme: Good Health and Well Being

Year 3 and Year 4 students were equipped with skills to help support their physical, emotional, and mental well-being. The activities included: Physical Fitness activities, Healthy Breakfast and Calorie Counting, Chinese Health Preservation and Chinese Rhymes, Poster Making, Healthy Lunch Box and Balanced Plate.

### IDW Year 5-6

Theme: Sustainable Cities and Communities

For this academic year, Year 5 and Year 6 students got to learn about Sustainable Cities and Communities. They learnt how to reduce carbon emission, and how technology can be used to reduce the global warming effects. The activities included are: Ecological Footprint Calculator, Turbine Making, Poster Procedure Making (Chinese), Comic Poster, and Story Writing.

### IDW Year 7

This year, Year 7 took on the challenge of creating a Music Parody as part of IDW Activities. They learnt how to compose music and perform in front of all of the students and teachers.

Although we had conflicts on the way to making our song parody, it was a learning journey for us and it helped us practice the valuable skill of teamwork. - Fiona Hiu (Y7I)

## IDW Year 8-10

This school has taken on the challenge of a hydroponic garden for this year's Interdisciplinary Week (IDW). Students from year 8-10 had to set-up a hydroponic garden. This IDW allows students to do other project-based activities to learn things outside the classroom. IDW is one of several activities that the school does to promote responsible production and consumption.

This IDW allowed me to understand the importance of teamwork, connect almost all the subjects, and put my theoretical learnings into application. I welcomed the set-up given as a learning opportunity to be more independent and resourceful individual. Overall, this past IDW has been a fruitful and beneficial learning experience. – Aileen Bachtiar (Y10G)

Listening to others' opinion is also important as it lets others give feedback or constructive criticism at our ideas, so that we can make it better or suit everybody in the team. Overall, I think that this year's IDW helped us learn to be more independent from our teachers and also learn from our mistakes without it being pointed out directly at us. – Andrew Widjaja (Y9G)

## SUSS-PIAGET Impact Startup Challenge 17-22.09.2018

An inaugural six-day SUSS-PIAGET Impact Startup Challenge marked the first partnership project between the two institutions and this involved students from Singapore and Indonesia working in teams to pitch their business ideas. A unique feature of the camp is its strong focus on social enterprise and business ideas that will uplift communities. A select group of panelists comprising industry leaders and investors judged the business proposals and investors were at hand to plough fund into their pet projects.

Overall, the program was a great success, awarding all participants with refined entrepreneurial and business skills. We all look forward to hopefully participating in the startup challenge again next year. – Caitlyn Audrey Prabowo (Y11P)

Throughout the boot camp, we had the opportunity to get to know each other through group activities while being taught the basic of startups. By the end of the boot camp, I had learned skills that I could not have possibly learned in the classroom. – Bentley Budiman (Y11P)

## Forensic Science Camp 20-21.09.2018

This year, NHJS conducted the Forensic Science Camp for year 7-8 students facilitated by Mr. Bill Toppin and the teachers, from 20-21 September 2018 as a part of IDW. Participants were placed in different "Crime Scenes" and had to solve the crime using investigative methods and applying deductive and inductive skills. Students had a great learning opportunity playing CSI (Crime Scene Investigator).

## Soccer Friendly Match 11-13.10.2018

## Kindergarten Learning Journey

- Mighty Minds 17.10.2018

- ICA Preschool 24.10.2018

- iDear & Julia Gabriel 07.11.2018

- Nasional Montessori 14.11.2018

## IPSLE Awarding 05.11.2018

## 4th Singing Chinese Competition 23.11.2018

## Christmix Party 05.12.2018

On 5 December, 2018, NationalHigh Jakarta School hosted its annual Christmas celebration with the theme "ChristMix Party". The event was planned and executed by all teachers and students. Every classes had a chance to perform for the school community.

## Christmas Class Party

## Christmas Carol 06.12.2018

## EXTERNAL EVENTS

### WSC - Global Round (Barcelona) 02.08.2018

The NHJS Debate Club came home successful from Barcelona, Spain where 19 NH students and two former students (7 teams) attended the Global Round of the World Scholar's Cup (WSC) from July 20 – 27.

### WSC - Tournament of Champions (Yale University) 16-22.11.2018

The NHJS Debate Club came home with several accolades from ToC held at Yale University in New Haven, Connecticut, USA from November 16-22 which was attended by 1,200 junior scholars (400 teams) from fifty-seven countries.

### HCI Interdisciplinary Project Work 17.08.2018

We would like to congratulate Amanda Foekri, Putri Aimee Srijaya, Annabelle A. Jayadinata and Nadya Annabel Lumy from Year 9 for being awarded HIGH DISTINCTION AWARD at HCI Project 2018.

### Edufair Performances

22-26.08.2018 (Lippo Mall Puri), 2-7.10.2018 (Gandaria City Mall), 09-14.10.2018 (Mall Taman Anggrek)
