Welcome to Term 2! We hope everyone had a good holiday and is rested for this term.

This term is intense as we will be having a full sit-down written pen and paper assessment for mid-year. After a two-year hiatus, it is inevitable that parents, students and staff are apprehensive about the mid-year assessment. As shared with students on Monday's morning assembly, the assessment is a check on their learning gaps and they should challenge themselves to do their very best. Such effort and determination to consistently strive for excellence, coupled with strict learning discipline, we believe they will do well for their mid-year exams.

In addition, we urge students to clarify their doubts with their teachers regularly. This process helps them to know what they do not know and needs to be known. By active questioning, students will form the habit of inquisitive learning and activate their curiosity to seek answers. Both of which are crucial to enable them to continuously learn in and outside of school.

UPCOMING EVENTS

September

- 30** NHJS Open House
- 30** Annual Sharing of IGCSE & Education Pathway Beyond Y8

October

- 3-7** SC: Be Yourself Week
- 4** Start of CAIE IGCSE & AS-Level Exams (for retakers)

Term 2 Week 2 (03 Oct 2022) will see some modifications to our Physical Education Programmes and Sports activities. After many feedback to the DINAS and in view of the low infection rate in school, NHJS will adopt the following measures for PE and outdoor/open-air sports.

1. Students may opt to wear their mask during vigorous outdoor exercises and sports.
2. Students can only remove their mask when they are at the proper sports/PE lesson venues and when told by the teacher to do so.
3. There will be safe distancing while playing sports as far as possible.
4. Students must wear their mask once the sports or PE activity is completed.
5. Students must properly sanitise their hands or wash their hands before going back to class.
6. In all other parts of the school, mask-wearing is still mandatory.

The school will regularly review its protocols to cater to changing needs and circumstances. We thank everyone for their continued support to ensure the school remains safe for learning.

The school received the Board of Governors and Mr Peter Araman (Principal/SNA) in Week 10 of the last term as guests for school visit. The resumption of Board visits and interaction with staff and student leaders had given them some insight into the operations and education during this transition period. They also visited classes and drooped by the Y9 Habits of Mind Milestone Programme in Bogor. It is heartening to have the Board share their thoughts and observations during their visit.

The Board has also given their, in principle, approval for our School Brief to build an extension block and to introduce pre-school education in NHJS. The next step is for us to work out the curriculum and plans as well as apply for the relevant government permits to commence construction. We invite prayers for this to be smooth and to have the extension ready as soon as possible.

This year, we are delighted to have Ms Shirin re-join us as the Vice-Principal of the school. Parents and guardians are familiar with Ms Shirin and can also approach her to make the school a better place for educating the children.

We wish everyone an eventful Term 2.

Stay healthy, stay safe and God bless.

Mid-Autumn Festival 2022

中秋节是中国的四大传统节日之一，是家人团聚的重要日子。NHJS每年都会庆祝这一传统节日。

由于受到新冠疫情的影响，过去的两年我们都只能通过线上的方式进行庆祝。很感恩的是，今年印尼的疫情趋于缓和，我们在9月9日实现了中秋节实体庆祝活动。全校的师生员工们在布置得充满节日气氛的篮球场共同庆祝了这一传统节日。9月9日早上，我们给全校师生员工分发了月饼。月饼是中秋节的传统食物，吃月饼也象征着团圆，我们也真心地祝愿疫情早日结束，每个人都可以和家人团圆。

我们的庆祝活动下午四点半在8年级学生优美的歌声中开始，音乐老师和他的搭档为我们演奏了笛子，还有付老师的古筝、李老师和学生们的中秋歌曲演唱。表演结束后，洪校长为我们送上了中秋祝福，宣布中秋游戏摊位开始。在接下来一个多小时的游戏时间，师生们兴高采烈地玩中文老师们精心准备的游戏，并赢取精美的奖品。虽然天公不作美，游戏摊位开始后就下起了大雨，但是没有阻止学生们玩游戏的热情，老师们也是细心地照顾低年级的小朋友们，防止他们滑倒。游戏时间结束后，庆祝活动在点灯仪式中进入高潮，随着嫦娥奔向月亮，我们点亮了2022年中秋节的美好祝愿，Ms. Martha带领我们做了祝福的祷告，希望我们每一个人都平安、健康、充满喜乐。虽然计划进行的烟花表演因大雨被迫取消，但这是两年多来的第一次线下集体庆祝活动，期待明年的庆祝活动更加精彩。

最后，再次祝福全校师生身体健康、平安喜乐！

The Mid-Autumn festival is one of the most important events for family reunions. NHJS celebrates this event every year. Throughout the pandemic, the Mid-Autumn Festival was celebrated online. I am very grateful that the pandemic situation is much better this year. We managed to celebrate the festivity in person on the 9th of September 2022 in the beautifully decorated MPH. On the morning of the 9th, we distributed mooncakes to the students and school staff. Mooncake is a traditional food that is associated with Mid-Autumn Festival. It symbolises completeness and togetherness.

The celebration started at 4:30 pm with amazing performances from the students and teachers. The Y8 students sang, followed by the flute performance of Mr Dhodi and Mr Umar and lastly, the Guzheng performance of Ms Fu. After the performances, Mr Ang gave an opening speech and officiated the ceremony. Then, the students and staff had the chance to visit different game booths that the Chinese language department prepared. In the closing ceremony, we lit up the lanterns to symbolise hope for the year and had a short prayer led by Ms Martha. Although the fireworks display was cancelled due to heavy rain, it was still a great event.

Last but not least, we wish everyone to always be happy and healthy! We hope that the pandemic will end soon, so that everyone can have a reunion with family and friends.

Y9 Milestone Programme: Habits of Mind (Segment 2)

The Year 9 Habits of Mind (HOM) Camp started on September 5th. This is the milestone program design for the year 9 students. The HOM camp has segments for this school year. The first segment was undertaken in school and the second segment was held in Inagro, Bogor. The said camp focused on reinforcing the Habits of Mind that the students had previously learned in the past two years. The camp aims to equip the students with skills and insights that they can apply in situations where solutions to problems are not immediately apparent.

Mastering the Habits of Mind can be beneficial for students in many ways. The Habits of mind promote the following:

1. Resilience
2. Resourcefulness
3. Sound reasoning
4. Responsibility
5. Reflective behaviour
