IMPORTANT MESSAGE

Happy New Year to everyone!

A new year always brings new hopes and opportunities. May all our students remember the lessons from their past mistakes and use them to accomplish their targets for the remaining half of the year.

As we have just opened for the second semester this Monday, 9 January 2023, we would like to inform everyone these important notes and reminders, in an effort to encourage everyone to start the semester right:

Health and Safety Protocols

We will continue to ensure the safety for all through mask wearing and hand sanitisation. As usual, students should follow these protocols and temperature-taking will still be done upon entry.

Please be mindful if you have any flu-like symptoms. It is advised that you stay home, take a test to check or visit a doctor.

Visitors to the school will no longer be required to do an Antigen Rapid Test except for those who had travelled overseas in the last 3 days.

Punctuality

All students should be in school by/before 7:10 am in time for the morning routines.

Students who arrived beyond 7:15 am will be marked down late and will be given a late slip.

Attendance

If a student needs to take an extended Leave of Absence before or after an official school break, a written note from one parent explaining the reason for the request is required to be submitted to the Principal.

Students who are absent due to illness will be given consideration for their missed lessons and assessments as long as they have prior communication to the school and have the necessary supporting documents, e.g., doctor's/medical certificate.

Counting of late-coming infraction of students will be reset every semester, not every term.

IMPORTANT MESSAGE

Personal Appearance

Upon school entry, the following should be followed:

Hair

- No highlights or dyes, other than the natural hair colour, is allowed
- Girls need to tie their hair neatly using black or blue hair elastics or use hair bands
- Boys are not allowed to have their hair tied in a bun. If this is the case, their hair should be cut according to the appropriate length permitted by the school.

Girls' Uniform

- White blouse with school crest
- School tie (for Secondary/JC)
- Grey skirt (primary/secondary) and cream skirt (JC) worn to the middle of the knee
- A pair of NHJS white or black socks and must be able to see (ankle socks are not allowed)
- Black or predominantly black (90%) shoes (no other shades or colours and boots are not allowed)

Girls may wear:

- a wrist watch
- a chain with cross or religious medallion may be worn under the blouse line
- one pair of small, simple designed studs for earrings

[Note : There should only be one earring in each ear and only in the lobe. Dangling earrings are not permitted.]

Boys' Uniform

- White school shirt with crest on the pocket tucked in neatly
- Grey pants (Primary/Secondary) and cream long pants (JC)
- School tie (for Secondary/JC)
- A pair of NHJS white or black socks and must be able to see (ankle socks are not allowed)
- Black or predominantly black (90%) shoes (no other shades or colours and boots are not allowed)

IMPORTANT MESSAGE

Boys may wear:

- A wrist watch
- A chain with cross or religious medallion may be worn under a shirt line.

During PE Lessons, all students are required to be in their PE attires.

PE Attire (Girls and Boys)

- Black uniform shorts
- NHJS sports T-shirt
- White socks
- Towel
- Sport shoes [Ex: cross trainers]

Students have to bring their water bottles and name them.

Important Note: Teachers-on-duty assigned in the school entrances will have the authority to deny students' entry should they see evident infractions.

Principal's MESSAGE

Dear all,

Greetings for the season and good health!

We hope everyone is well rested during the holidays and recharged for the next lap.

This Semester will be an exciting semester with Term 3 filled with exciting activities such as celebratory events, academic subject weeks, SC-organised activities and the like. To gain the best mileage from these activities will require us to commit ourselves to participate actively in them.

To start the term, our Year 10 students signed up and joined the SUSS-PIAGET Impact Start-up Challenge, which is taking place in NHJS after a hiatus of two years due to the pandemic. This event ends with a round of business proposals to a panel of judges, including renowned local entrepreneurs and our ex-students who are running their own start-ups. We look forward to interested students and parents coming on 14 Jan 2023 (0830-1130am) to cheer the teams.

Effective immediately, visitors to NHJS will not be required to do the Antigen Rapid Test unless they have recently travelled overseas. This is in alignment with the government's PPKM Level 1 response. However, we will continue to enforce mask-wearing, hand sanitisation and social distancing in our school. Anyone who is unwell, especially with flu-like symptoms, will need to see a doctor and not report to school. The canteen will be fully opened but, due to its limited capacity, we will be staggering levels for the use of the canteen for snack breaks and recesses.

This term marks the onset of the inter-school competitions, and we wish our participants in the JSFA the best of luck and play their very best for the games. More importantly, we want them to be our ambassadors in exhibiting the PIAGET values while they compete in the tournaments. We will maintain our position that players representing our school in any competition must be exemplary and disciplined.

NHJS is continuing its effort to review and improve its systems and processes. We endeavour to pursue the PIAGET Vision 2.0 education and ramp up our efforts in mentoring PIAGETians. The Board has, in principle, approved the school's proposal to build an extension building and work is underway to secure the necessary permits for the new school building. We beg your indulgence in praying for the success of the applications and the construction of the new building.

We want to take this opportunity to begin the year with prayers of blessings for all parents, guardians, staff, and students. We pray for everyone to continue to be safe, healthy and happy. We look forward to the unwavering support of everyone in growing every child to the best of their potential.

God bless.

Mr Ang Hwee Khoon
Principal

NATIONALHIGH JAKARTA SCHOOL
Jl. Raya Pos Pengumben 41, Jakarta Barat 11630

  

Deadline for Registration:
Friday, 20 January 2023

Dear Parents,

Greetings from NationalHigh Jakarta School!

We would like to invite your child to join our event: NHJS Stepping Stone 2023 which will be held on Saturday, 28 January 2022 from 8.30 AM – 11.30 PM.

This event is arranged for K2 students only (5-6 years old) with the following purposes:

1. Allow your child to experience fun and engaging activities that will build their interest to be part of NHJS learning community.
2. Build a positive learning relationship with NHJS teachers and other kindergarten students.
3. Give your child the opportunity to explore the NHJS school environment.

This is a good opportunity to prepare and build the excitement of your child before they join the Primary Level next year.

Let them experience a fun-filled day of learning with us!

Due date of registration: 20 January 2022.

Best Regards,
Marketing Departement
NationalHigh Jakarta School
